

21 November 2018

Dear [REDACTED]

Official information request W18-260

I refer to your official information request received 24 October 2018.

Request:

A copy of all communications regarding how much of a contribution to the National Oracle Solution, if any, is the Wairarapa DHB currently carrying on their books.

They expect this to include all communication between you and your officials, staff and any other ministerial office or any government department as well as all advice, pre-meeting material, minutes, post meeting communications, reports, briefing notes, emails, texts, meeting notes and summaries of telephone conversations which fall within the scope of my request.

Response:

The information you have requested is below.

Wairarapa District Health Board (WrDHB) is currently carrying \$455,709 (at 30 June 2018) on its books for investment in the National Oracle Solution/Finance, Procurement Supply Chain Business Case. The amount reflects capital approvals for the original business case approved by the Board in 2012; WrDHB share of the Cabinet approved portion of the change control request approved by the Board 2017 and advice received from New Zealand Health Partnerships (NZHPL) with respect to a partial write-down of the investment.

The relevant communications received by the DHBs with respect to this are the original Business Case and the Change Case along with impairment advice received from NZHPL. We understand this information has already been released by NZHPL. Please advise if you need an additional copy.

National teleconferences were held for all DHBs to collectively discuss and understand the cases prior to submission to the Boards. However, the DHBs do not hold any records relating to these discussions.

Please note that this response, or an edited version of this response, may be published on the Wairarapa District Health Board website no less than one week after the response has been provided to you. Any personal or identifying information will be redacted from any response published online. The DHB will endeavour to resolve any concerns you should raise but, subject to any legal grounds for withholding, ultimately reserves the right to publish any information.

If you wish to discuss this response with us, please feel free to contact:

Caroline van Deventer
