

18 April 2019

Dear 

**Official information request W19-331**

I refer to your official information request dated 9 April 2019.

**Request:**

The information sought in this request is to be used as part of a report about DHB's income from hosting clinical trials

The number of clinical drug trials your DHB hosted in the 2017/2018 financial year + ongoing trials in 2019.

Could figures please be broken-down by;

- The number of sponsored clinical trials involving devices and pharmaceuticals.
- Phase 1 first-man-in clinical trials and phase 2a/b safety and efficacy trials, phase 3 broader efficacy trials and phase 4 post-marketing surveillance. And whether these trials are investigator-initiated or industry-sponsored commercially contracted trials.
- Investigator-initiated studies of non-therapeutic interventions, e.g. new diagnostics or new applications of existing diagnostics.
- Investigator-initiated observational studies including epidemiologic studies.

Can you please also provide the aggregate income figure your DHB obtained from trials conducted in the 2017/2018 financial year.

**Response:**

Wairarapa DHB has not hosted any clinical drug trials in the 2017/18 financial year and does not have any ongoing trials in 2019.

Please note that this response, or an edited version of this response, may be published on the Wairarapa District Health Board website no less than one week after the response has been provided to you. Any personal or identifying information will be redacted from any response published online. The DHB will endeavour to resolve any concerns you should raise but, subject to any legal grounds for withholding, ultimately reserves the right to publish any information.
