Official information request W21-658 Fossil Fuel

I refer to your official information request dated 22 September 2021.

Request:

- A list of all hospital, mental health & healthcare facilities as well as administrative buildings & facilities the Ministry of Health knows are using fossil fuels, with a breakdown of fossil fuel type, and region.
- An outline of any plans that the Ministry of Justice or Energy Efficiency Conservation Authority have to transition these institutions off fossil fuels.

Response:

The information you have requested is below.

Wairarapa DHB does not maintain a record of the energy source for any of our contracted providers, including aged residential care facilities. On this basis your request for information regarding these healthcare facilities within our district is declined under section 18(f) as 'the information requested cannot be made available without substantial collation and research'.

Wairarapa DHB does not have any plans with the Ministry of Justice or Energy Efficiency Conservation Authority to transition off fossil fuels.

Please be aware that this response, or an edited version of this response, may be published on the Wairarapa District Health Board website no less than one week after the response has been provided to you. Any personal or identifying information will be redacted from any response published online. The DHB will endeavour to resolve any concerns you should raise but, subject to any legal grounds for withholding, ultimately reserves the right to publish any information.
