

13 December 2018

Dear 

Official information request W18-271.

I refer to your official information request dated 23 November 2018.

Request:

- Does the DHB record the amount of radioactive waste being produced/as a by-product of operating radiology/diagnostic machines including but not exclusive to X-rays, PET and CT scans and radiation therapy?
- How much radioactive waste is being produced at the DHB per year?
- How and where is this radioactive waste disposed of?

Response:

Wairarapa DHB does not produce radioactive waste.

Please note that this response, or an edited version of this response, may be published on the Wairarapa District Health Board website no less than one week after the response has been provided to you. Any personal or identifying information will be redacted from any response published online. The DHB will endeavour to resolve any concerns you should raise but, subject to any legal grounds for withholding, ultimately reserves the right to publish any information.
