Dear [REDACTED]

**Official information request W18 - 225**

I refer to your official information request dated 9 July 2018.

**Request:**

I would like a copy of any and all information, totaling the number of Medical Practitioners who have been charged with sexual assault offences whilst being employed by the Wairarapa District Health Board.

Please include the gender of those charged, what the offence or offences were, what year the charges were laid and what the outcome of charges were.

And I ask that anything within the spirit of this request that is not mentioned be included in the response.

**Response:**

Wairarapa DHB has not had any Medical Practitioners charged with sexual offences while employed here.

Please note that this response, or an edited version of this response, may be published on the Wairarapa District Health Board website no less than one week after the response has been provided to you.
